FIG. 5

A hand-drawn diagram of a crystal lattice, represented by a grid of small circles. Two lines intersect within the grid. The line with a steeper slope is labeled '601' at its lower end. The line with a shallower slope is labeled '602' at its lower end. A point in the lower-left region of the grid is labeled '606' with a bracket pointing to it. On the right side of the grid, there is a label '604' with a horizontal line pointing towards the grid.
